We are trying something new for 2019 based on lots of feedback. We are going to have two – one-day programs, one to be held at the Stoney Creek Hotel & Conference Center in Rothschild, Wisconsin on May 7 and the same program repeated on May 9 at the Apache Hotel in Rochester, Minnesota. Exhibits this year are limited to only a few major sponsorships.

All sponsors will be acknowledged on site, on the web page and in the bi-monthly E-News. Your sponsorship funds help NCHPBA manage their activities related to communications & marketing, membership and government. Funds also go to help our non-profit education arm, Combustion Appliance Training & Education, Inc. (CATE) underwrite May program costs as well as development of consumer programs such as a mobile app on wood maintenance and a High School Tech Ed program to entice youth to seriously consider the hearth industry as a career.

So, help us help the industry and sign up as a May 2019 sponsor now.
